

# CHORD RULES

How to get your Chords sounding great!

## 1. THUMB

- a) "Finger print" the back of the guitar neck.
- b) Keep thumb behind the chord.

## 2. FINGERS

- a) Position fingers as *close to the frets* as possible, **WITHOUT** touching the frets.
- b) Keep *fingers on their tips*.

## 3. GAP

Keep the "mailbox" between your palm and the neck open.

## 4. SQUEEZE

Apply pressure to your chord by pressing your fingers toward your thumb and your thumb toward your fingers.
