

THE ONE I LOVE

~ David Grey ~

VERSE:

Cmaj
Gonna close my eyes
Gmaj
Girl and watch you go
Fmaj
Running through this life darling
Cmaj
Like a field of snow

Cmaj
As the tracer glides
Gmaj
In its graceful arc
Fmaj Dmin
Send a little prayer out to ya'
Cmaj
Cross the falling dark

BRIDGE:

Fmaj
Tell the repo man
Dmin
And the stars above
Cmaj
That you're the one I love, yeah

VERSE:

Cmaj
Perfect summer's night
Gmaj
Not a wind that breathes
Fmaj
Just the bullets whispering gentle
Cmaj
'Mongst the new green leaves

Cmaj
There's things I might have said
Gmaj
Only wish I could
Fmaj Dmin
Now I'm leaking life faster
Cmaj
Than I'm leaking blood

BRIDGE:

Fmaj
Tell the repo man
Dmin
And the stars above

CHORUS:

Cmaj
That you're the one I love
Gmaj
You're the one I love
Fmaj
The one I love

Amin Gmaj Fmaj
Yeehee
Cmaj Gmaj Fmaj
Amin Gmaj Fmaj
Yeehee

VERSE:

Cmaj
Don't see Elysium
Gmaj
Don't see no fiery hell
Fmaj
Just the lights up bright, baby
Cmaj
In the Bay Hotel

Cmaj
Next wave coming in
Gmaj
Like an ocean roar
Fmaj Dmin
Won't you take my hand darling
Cmaj
On that old dance floor?

BRIDGE:

Fmaj
We can twist and shout
Dmin
Do the turtle dove

CHORUS:

(end on) Cmaj
